About us

SKORPIONO TAKAS

JSC „Skorpiono Takas“ is one of the biggest wholesalers of sporting goods and printing consumables in the Baltic states. Established in 1992, today company has over 50 employees, our financial results are stable and our turnover is increasing every year. In recent years we expanded and established subsidiaries in Belarus and Georgia, therefore, we can now reach our customers in a more convenient and productive way. Our warehouse already exceeded 2600 m² and we can still deliver your orders in just one working day!

As one of the major players in the sport products industry, we care about the athletes of Lithuania, too. Every year we sponsor the main sports leagues and federations of Lithuania (including basketball, volleyball), sport schools, Lithuanian tennis clubs and players, various sports events and tournaments in order to help them reach highest results as well as to encourage people all over the country to become more physically active.

The iFit® app is an interactive tool, that brings exciting, interactive workouts to your home fitness equipment! iFit coaches will take you on a fitness journey around the world. Trainer will even automatically adjust your machine to match the terrain! You can take yoga, HIIT and strength classes along with the running, rowing and cycling classes, which you do need equipment for. All of instructors are long-time trainers who specialize in the classes they teach.

You can use iFit® with specific fitness machines from Proform and Nordictrack.

- The iFit® app - work out anytime!
- The iFit® Library - over 16,000 live and on-demand classes.
- iFit® can be used with Nordictrack and Proform exercise machines.
- Travel the World with Global Workouts virtual classes.
- Live Workouts - class when it fits into your schedule.
- Studio Classes exercise with other iFit® members.
- Google Maps with iFit®, you can run or cycle routes around the world using Google Maps. Plan your own route. You'll see the route on your screen via Google Street View.

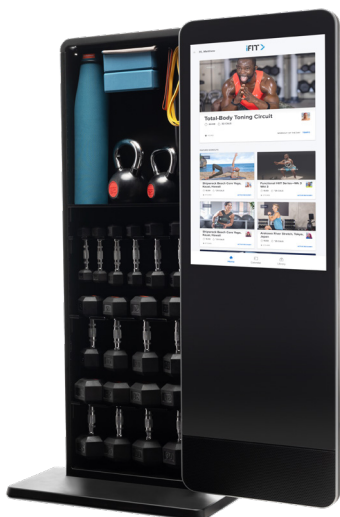

- iFit® Trainers work out with you, encouraging and educating you every step of the way.
- Reward Series each month, iFit® introduces new reward series to help challenge and inspire you!
- The iFit® community The best part of iFit® (other than the workouts) is our incredible community! Encourage each other, ask questions, share insights.

World leader in home fitness equipment, NordicTrack has over 25 years of experience in bringing high quality to the home fitness world. This wide range of products includes treadmills, bicycles, ellipticals, power machines, rowers, cable machines and fitness mirrors.

- Innovative fitness equipment for the home;
- The products feature the most advanced technology;
- Interactive fitness with iFit powered by Google Maps platform;
- Touchscreen displays with web browsers
